

In 2025 the *Lee Chamber of Commerce*, with an assist from the Lee Town Select Board, local business owners, and the residents of Lee will for the 16th year add to the beauty of our Main Street!

The *Lee Beautification Committee* every year buys, installs, and maintains, throughout the summer months, the beautiful baskets overflowing with seasonal flowers that line Main street with mini-gardens - adding considerably to our sterling reputation as a lovely and quaint New England small town.

This year we are again asking for your help. We have confidence that better times are ahead and that visitors will welcome the opportunity to get out and enjoy Lee hospitality. With the assistance of the local community we will be able to continue this yearly tradition and add to the beauty of our downtown area.

See below for details on how you can  
help us to *Keep Lee Beautiful!*
